

BLACKOUT

Jacoby
Custom Cues, Inc.

THE BLACKOUT IS A VERSITILE BREAK-JUMP CUE. IT GIVES A POWERFUL BREAK WHILE STILL HAVING THE ABILITY TO GET YOU OUT OF TROUBLE WITH SUPERIOR JUMPING. THE BLACK-OUT HAS A TWO-PIECE BUTT CONSTRUCTION, WITH THE FIRST PIECE ENDING 16" FROM THE JOINT. THIS ALLOWS GREAT COMFORT USING A TRADITIONAL STROKE WHILE PERFORMING THE JUMP SHOT. THE CUE ALSO JUMPS EXTREMELY WELL AS A FULL CUE, GIVING YOU A GREAT RANGE OF JUMP OPTIONS.

THE SHAFT FEATURES A BLACK PHENOLIC ONE-PIECE TIP WHICH IS EXTREMELY HARD, GIVING A PLAYER ADDED POWER ON THE BREAK WHILE INCREASING ITS JUMPING ABILITY.

THE BLACKOUT SG IS JUST A SLIGHTLY MODIFIED VERSION OF OUR BLACKOUT BREAK/JUMP CUE WHICH FEATURES OUR UNIQUE SOFT RUBBER SPORT GRIP HANDLE ALLOWING FOR SUPERIOR CONTROL WHEN BREAKING OR JUMPING.

THE BLACKOUT STRAIGHT BREAKER IS DESIGNED WITH A ONE-PIECE BUTT. IT FEATURES OUR TITAN TIP, WHICH IS SOFTER THAN PHENOLIC, GIVING A PLAYER ADDED CONTROL WHILE BREAKING.

BELOW ARE THE STANDARD COLOR CHOICES OF BLACKOUTS, BLACKOUT SPORT GRIP, AND BLACKOUT STRAIGHT BREAK CUES.
