BLACK⁶C⁴K

JACOBY CUSTOM CUES IS PROUD TO ANNOUNCE OUR LATEST VERSION OF CARBON SHAFT TECHNOLOGY. THE V 4.0 IS EXTREMELY COMFORTABLE, POWERFUL, DURABLE, AND ACCURATE. FEATURING A SPECIALLY MACHINED FERRULE AND THINNER WALL THICKNESS NEAR THE TIP END, REDUCING THE TIP MASS WHICH, IN TURN REDUCES CUE-BALL SQUIRT. THE FILL OF THE V 4.0 IS VERY UNIQUE TO THIS SHAFT AND PROVIDES A VERY SOFT HIT UNLIKE ANY OTHER SHAFT, WOOD OR CARBON!
